Event Netting FR

- Versatile
- Flame retardant
- Lightweight
- UV Resistant
- Privacy control
- Easy to erect

Product Overview

Safegard's Event Netting is the ideal solution to use on existing fencing or Heras panels, to either cordon off specific areas or provide privacy, from blocking off areas at sports events to using the netting as a gardening net in allotments or as containment for pets. Also useful as a wind break or shelter from weather as in can provide up to 95% shading. Colour options are black and white for the flame retardant options only, or choose from black, white, green or blue for the non FR netting, various roll widths and lengths available. To secure your netting use our toggle ties (S0102) which are reusable and useful if the Event Netting is to be moved on a regular basis or our cable ties (S0112) for longer term use.

Technical data

Material	HDPE (Flame retardant treated)
Weight	160gsm
Roll width	1.83m / 2.3m and 3.66m
Roll length	50m or 100m
Colour	Black, White, Blue, and Green
Tensile strength MD	43.9 Kgf
Code	S0111 (+ ext)

Applications

- Privacy
- Crowd control
- Building sites
- Sports events
- Gardening
- Pest control

Please note:
Safegard event netting is NOT and should NOT be used as a safety net replacement.
